

Dear Parents/Guardians

Re: Year 12 Attendance Arrangements

We intend to revise the arrangements regarding Year 12 attendance and from today Wednesday, 13th September 2017 students may leave to study at home after their last lesson of the day and do not need to arrive until 10 minutes before their first lesson of the day starts.

This is a privilege that we are granting earlier than usual and it will be withdrawn from students who at any time, in our opinion, are not demonstrating an appropriate attitude to their studies.

We appreciate the fact that some of you may prefer your son or daughter to remain on the premises for the whole of the school day, so please inform us immediately if you do not want this arrangement to apply to your son or daughter.

Yours faithfully

Mrs A Mansfield & Mr O Flatley
Heads of Year 12
