Strategic Equality Plan Policy Statement

1. Our School

Our school is a large secondary school with 2023 pupils.

Pupils are from a range of ethnic backgrounds with more than one fifth of our pupils being from Black or Minority Ethnic (BME) Backgrounds. That said, our largest ethnic group overall is White British of which there are 1697 pupils. Our second largest group of pupils are our 93 White and Other Race children which may indicate the relatively a level of integration of BME groups in the Town or at least in this area. The remainder of our pupils are made up of a range of over 20 different ethnicities and nationalities with 37 Pakistani pupils, 26 White European other, 13 Indian Pupils, 13 Somali, 15 Chinese and 9 Bangladeshi Pupils alongside our pupils from more than 22 other Nationalities and Ethnicities.

There are 32 different languages spoken by our pupils as their home language other than English: The largest groups are Chinese, Urdu, Polish, Arabic, Hindko, Panjabi, Pashto/Pakhto with small numbers of Bengali, German, Italian, Spanish, Turkish, Filipino, Hebrew, Japanese and Somali. At least 75(78) of our pupils currently speak English as an additional language.

We have pupils with a wide variety of Additional Learning Need sand Medical Needs which are detailed in our Learning Directories. We aim to be fully inclusive of all pupils.

We are aware that there are pupils in every class who will grow up to be Lesbian, Gay or Bisexual however we do not monitor this robustly.

All of these people, their faiths, cultures, communities and languages, the school values equally.

2. Aims

We recognise and celebrate the fact that British and Welsh society is made up of people from diverse backgrounds and life experiences. It is important that all pupils are prepared to live in such a society. The purpose of our Strategic Equality Plan (SEP) is to fulfil the duties to promote equality for people with 'protected characteristics', and embed fairness and equality at the heart of our school community and in all aspects of our school plans and policies.

Through the equality improvement actions and strategically planned tasks detailed in this document, we aim to:

1. Eliminate discrimination, harassment and victimisation

2. Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it
3. Foster good relations between persons who share a relevant protected characteristic and persons who do not share it

We have based our Strategic Equality Objectives on local, regional and national priorities within Education as well as feedback from engagement with our school community and our own school data. These actions are set out in Section Ten.

3. Our Strategic Equality Objectives

Our chosen Strategic Equality Objectives are

1. Reduce Gaps in attainment and attendance between pupils from protected groups
2. Develop the quality and use of our Equality Monitoring and Data Collection
3. Teach and train our pupils, staff and governors about the principles and practice of equality, diversity and anti-discrimination

We have strategically planned tasks to enable us to meet these objectives. They are listed in Section Ten of this Strategic Equality Plan (Action Plan). They cover all relevant protected characteristics. They describe how we are taking action to fulfil both the general and specific duties.

4. Scope

The policy applies to all full time, part time, job share, permanent, temporary and supply staff. It applies to all pupils, parents, service users and visitors to the school in line with Equality legislation and the school's legal responsibilities to promote equality in employment, education and access to services.

5. Equalities Summary Statement

At Lakeside Primary School we aim to provide a happy, caring environment in which all children can feel confident and able to learn. We seek to foster an environment of mutual respect and support between all staff, pupils, parents and carers and the wider community.

Our school is committed to eliminating any unlawful discrimination on grounds of Race, Gender, Transgender, Religion or Belief, Disability or Sexual Orientation, Pregnancy or Maternity Marriage or Civil Partnership by creating an environment where every individual, regardless of ability or background, is able to participate and is valued fully as a member of the school community. Being opposed to all forms of discrimination and prejudice we promote a positive attitude towards differences and expect respect for people of all backgrounds. This is highlighted in our whole school rules, with our first rule being: "We respect everyone and everything".

Stereotyped ways of thinking are the result of ignorance and may result in low self-esteem and limited aspirations. The school values and encourages involvement of people from all sections of the local community and through this involvement aims to provide positive images, which challenge stereotyped thinking.

Any language or behaviour which is racist, sexist, homophobic, disablist or potentially damaging to any group will not be tolerated and will be challenged and monitored. Information derived from monitoring will be used to plan whole-school strategies to combat incidents. Information on identity based incidents and bullying will be shared regularly with the LEA to help actions to combat hate crime across the City.

6. Responsibilities

Leadership and Management

Commitment

The Governing Body and management of the school will work with all its partners to be proactive in promoting equal opportunities, fostering good relations and in tackling unlawful discrimination. They will encourage support and enable all pupils and staff from all protected characteristics to reach the highest standards possible.

Headteacher

The Headteacher is responsible for:

- Making sure the Equality Policy is readily available, along with related policies, eg “Anti-Bullying Policy”, “Harassment Policy” etc and that governors, staff, pupils, parents and guardians know about it.
- Making sure the policy and its procedures are followed.
- Producing regular information for staff and governors about how the policy is working, and providing training for them on the policy if necessary.
- Making sure all staff know their responsibilities and receive training and support in carrying these out.
- Taking appropriate action in cases of harassment and discrimination.
- Making sure the Equality Policy is regularly monitored and reviewed.

The named person with responsibility for dealing with reported incidents of unlawful discrimination is Mrs C Kynaston, Deputy Headteacher. Staff and pupils are aware of who the named person is. The named person ensures that all reported incidents are recorded in the Equality Incident and Monitoring Database, analysed within the school and sent to the LEA termly.

The Equal Opportunities Co-ordinator is Miss S Owen, Assistant Headteacher. The Equal Opportunities Co-ordinator ensures that the school regularly reviews and evaluates all policies and practices in relation to Equal Opportunities, leading to the setting of targets which address aspects of inequality or disadvantage in all of the school’s activities.

All staff are responsible for:

- Dealing with incidents of unlawful discrimination and bullying
- Being able to recognise and tackle bias and stereotyping
- Promoting equality and good relations between all groups
- Keeping up to date with the law on discrimination, and taking up training opportunities
- Striving to provide images and lesson plans that show positive images of and are inclusive of people from the protected characteristics

7. Information gathering and Engagement

The collection of information is crucial to supporting us in deciding what actions to take to improve equality and eliminate discrimination within the school community. The information also subsequently helps us to review our performance, so it needs to be detailed enough to enable us to measure how we are delivering on equality duties. The information also helps us to do accurate impact assessments and identify which of the school's aims have been achieved and what we need to do better.

Engagement is based on the information gained about representation of different groups. We aim to do this as fully as possible. The reason that this progress is important is to understand the full range of needs of the school community.

We regularly consult and engage with parents on issues arising at the school along with what parents think is going well or needs to improve. We are blessed with a very diverse school community and through our regular contact with parents, school council and staff we have been able to inform this Strategic Equality Plan.

We have also been mindful of national and regional priorities in Education when setting our objectives and our own Equality Data and information has been key when setting attainment targets. Where we found we had gaps in data, that has formed improvement targets around the collection of data.

We also sought advice from our Governing body and Parent Group. People from a diverse range of Ages, Genders, Ethnicities, Religions or Beliefs and Sexual Orientations were involved in the production of this document.

8. Publication and reporting

The school publishes the Strategic Equality Plan on our website and the Untethered Ltd website and it is available to parents throughout the year. It is available in large print and other formats on request. The school prospectus includes a reference to the Strategic Equality Plan and the values underpinning it

We will report and publish annually on the progress made on the action plans and the impact of the Plan itself on school ethos and practice within the school. This is undertaken as part of the Governors' Annual Report.

9. Monitor and Review

We will revisit and analyse the information and data used to identify priorities for the Strategic Equality Plan (e.g. achievement data, engagement with stakeholders).

We will use Equality Impact Assessments to ensure that actions taken have a positive impact across all protected characteristics, that the promotion of equality is at the heart of school planning and that discrimination is being eliminated effectively.

Based on the above, we will review the Plan and republish necessary, but not less than annually with a full review not less than four yearly.
