

Dear Parents/Carers,

We have been requested by the WJEC to inform all students sitting examinations this summer that they must be available for the entire examination period in the event of an examination being rescheduled due to exceptional circumstances. Therefore, all AS/A Level and GCSE candidates should be available between 13th May - 26th June 2019. Exam boards may re-schedule an examination within these time periods as a contingency plan in the event of widespread and sustained local or national disruption.

All candidates for the summer 2019 exam sessions at GCSE and AS/A level must therefore remain available until and including Wednesday 26th June 2019.
