Gwasanaeth Rhianta Bro
Vale Parenting Service

What do we do?

We support families with children between 0-18 across the Vale of Glamorgan in order to build on strengths and make positive changes, enabling parents to feel more confident in managing; behaviour, routines and boundaries. We focus on promoting emotional wellbeing, and supporting positive family relationships. The service also benefits from specialist midwifery support from our under 19's midwife, in order to provide targeted support which both complement and enhance the Parenting Service.

We deliver parenting programmes in a small group setting, or offer a 1:1 bespoke intervention in line with what the family see as the focus of support required.

Parenting Programmes include; Welcome to the World, Baby's First Year, Nurturing Programme, Handling Children's Behaviour, Handling Teenage behaviour, Talking Teens and STEPS.

These offer a broad programme of support and strategies across the whole age group, from antenatal to the teenage years.
