

PSE/LJe

Dear Parents/Carers

We are pleased to inform you that we are working with Sexpressions in order to enhance the PSE curriculum this year. Sexpression:UK is a student-led national sex and relationships education charity. They are made up of volunteer medical students who are trained to deliver high quality sex education.

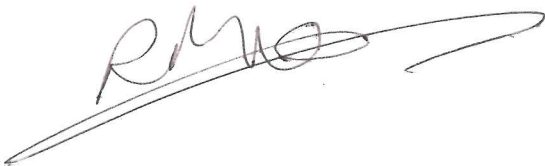

Following our PSE days last academic year, pupils stated that they would like more outside agencies to be involved in delivering PSE sessions. Year 9 forms will have a session based on STIs, safer sex and contraception with Sexpression, which will be built upon by school at a later date.

The PSE lessons will provide pupils with learning experiences to enable the development and exploration of personal attitudes and values allowing them to acquire appropriate knowledge and understanding of relevant topics. The content of each session will be tailored to meet the appropriate needs of the year group.

We hope that all members of the year group will participate in all PSE sessions and gain knowledge related to areas under discussion.

If you would like further information please do not hesitate to contact the Heads of Year or Miss Jenkins (Assistant Head).

Yours faithfully

Mr R MacPherson  
Head of Year 9

Mr A Chambers  
Head of Year 9

Headteacher: Trevor Brown
