

Dear Parents/Carers,

As you will know, the Minister for Education in Wales held a press conference this afternoon in which it was announced that the Government intends for all pupils to return full time in September. Operational guidance will be released next week and as soon as possible after this and before the summer holidays begin we will inform you how the school days will be organised and run in September.

Confirmed dates for the start of the Autumn term at Stanwell so far are:

Tuesday 1st September 2020 - INSET day

Wednesday 2nd September 2020 - New Year 7 only on site

Following discussions with our primary school colleagues, it was decided that the Year 7 pupils would have the first day back just as a year group with staff as they have missed so many key transition events this summer term during school closure. We look forward to communicating with you next week about our plans for the academic year 2020-21 and to welcoming all the pupils back to school in September.

Kind Regards,  
Stanwell School
