

Dear Parents/Carers,

We are pleased to share with you that the partial re-opening to year groups 7, 11, 12 and 13 this week has been successful with staff and students getting used to the new measures in place. The atmosphere in school was calm, cheerful and purposeful with pupils well-prepared for their return - thank you to all parents for the important part you have played in this. We had high attendance rates of 97% across the year groups so far and are looking forward to welcoming back Years 8, 9 and 10 on Monday and operating at full capacity. Please keep emphasising to the pupils the importance of arriving at the right time for their year group and, if possible, provide pocket hand sanitiser for them to use when needed.

Throughout the week, we have evaluated our arrangements daily and the following additions to previous information sent out would be useful to help staff conduct their lessons with optimum efficiency:

- If possible, please could pupils also bring a gluestick, scissors and coloured pencils to school
- Please ensure pupils have a hygienic way to store their face mask when not in use - eg ziplock bag, plastic wallet (polypockets), clear plastic pencil case
- Please ensure that pupils have money on their fob to purchase food or supply pupils with a packed lunch - any problems with parentpay please email ddaly@stanwell.org

Here is a reminder of the information that pupils need to retain and follow in order for the school routine to run smoothly, please could all Years 8, 9 and 10 parents go over this with their children over the weekend in time for Monday's start. Please note that the week beginning Monday 7th September will be Week 2 on the pupils' timetables.

Thank you again for your continued support.
