Dear Parent / Carer,

Pupils Wellbeing will always be a priority at Stanwell. We want all our pupils to have a positive time at school and feel comfortable in their learning environment. With the recent school closure and adjustment back to school life we are keen to seek the opinions of our pupils. With this in mind, we would like our pupils to complete our wellbeing questionnaire at different intervals throughout the year. **The questionnaires are not compulsory and pupils do not have to participate.**

It is very important for us to hear learners' views so that we are able to have a dialogue with our pupils to establish how they feel about certain aspects of school and school life. The information is used to help us plan what we do as a whole school to develop pupils' wellbeing. It is also an opportunity for individuals to seek support for their wellbeing should they wish.

If you would like more information, please contact me on 029 20707633.

Yours faithfully

Miss L Jenkins
