

Dear Parents/Carers,

As you will know, the Welsh Government has announced that there will be a two week lockdown from 6pm on Friday 23rd October. Half term holiday for the week 26th - 30th October will take place as previously scheduled. For the week beginning Monday 2nd November, childcare settings and primary schools will be open and secondary schools will only be open for Years 7 and 8 pupils to attend. Years 9, 10, 12, 12 and 13 students will instead take part in blended learning via online platforms for this week only before returning to school on Monday 9th November.

Guidance on blended learning arrangements for these year groups will be sent to all parents and pupils during this week so that everyone is prepared prior to half term.
